3 Coverage Programs To Meet Your Needs...

BRONZE

BRONZE COVERAGE includes items detailed below:

- **ENGINE:** All internally lubricated parts including; pistons, piston rings and pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and bearings, timing chain and/or gears, rocker arms, valves, valve springs, seats and guides , valve push rods and lifters. The engine block, cylinder head(s), and rotary housing are covered only when replaced in conjunction with covered repairs. Seals and gaskets, when in conjunction with a covered repair only. There is no electrical component benefit provided.
- **TRANSMISSION**: All internally lubricated parts of an automatic or manual transmission consisting of but not limited to: gears, input and output shaft, bearings, front pump, planetary assemblies, overdrive housing/carrier and transmission case if malfunction caused by covered parts. Reaction carrier, center support, parking lock actuator, stator and stator shaft, separator plate, pressure regulator valve, springs, governor assembly and valve body. Clutch plate, pressure plate, flywheel, torque converter release and bearings. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage.
- **TURBO/SUPERCHARGER:** Turbo or Supercharger wastegate and control module.
- **DRIVE AXLE ASSEMBLY (All Wheel drive and 4WD units):** Transfer case including gears, drive chain, main shaft, thrust washers/shims and bearings. Differential, front drive shaft, axles, Universal and CV joints, except if boot is damaged and/or missing. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage.
- **DRIVE AXLE ASSEMBLY (Front or rear wheel drive units):** Consisting of but not limited to: Drive shaft, ring and pinion gears, pinion bearings, carrier assembly, thrust washers, axle, axle bearings, and limited clutch pack assembly. Universal and CV joints, except if boot is damaged and/or missing. Drive axle house is covered if failure is caused by listed covered lubricated parts. Seals and gaskets, when in conjunction with a covered repair only. No electrical component coverage.
- **COOLING SYSTEM:** Water pump and thermostat. Fan and fan clutch, primary electric fan motor, heater core valve, coolant recovery reservoir and radiator.
- **AIR CONDITIONING:** Compressor, condenser, evaporator, accumulator, blower motor. Compressor clutch, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, idler pulley, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor and accumulator.
- **SEALS & GASKETS:** Engine, transmission, transfer case.
- **STEERING:** Steering gear, rack and pinion, and all internal lubricated parts. Power steering cooler and lines. Power steering pump (electric or engine driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends.
- **SUSPENSION:** Front or rear leaf or coil springs only if broken. Control arms, control arm bushings, and upper or lower ball joints. Control arm shafts, front or rear wheel bearings, spindles, radius arms and bushings. Stabilizer bar, links and bushings, torsion bars, sway bars and sway links, and hub assembly.
- **BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster.
- **ELECTRICAL:** Alternator, starter motor, voltage regulator and distributor. Front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, head lamp switch, blower motor speed switch, ignition switch and lock cylinder, knock sensor and stop lamp switch.
- **FUEL SYSTEM:** Fuel pump, metal fuel lines and fuel tank. Fuel injectors, diesel injectors, vacuum booster pump, fuel distributor. Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump and fuel sending unit.
- **CRUISE CONTROL:** Cruise control switches and actuator.
- **RENTAL CAR:** Thirty-five dollars ($35) per day for up to five days after a claim is opened. We are not responsible for the repair facility's inability to schedule repairs or obtain parts. Call 801-963-GOLD for reimbursement.

SILVER

SILVER COVERAGE includes all of Bronze Coverage items plus items detailed below:

- **COOLING SYSTEM:** Fan control module, heater motor, heater control module, heater core, coolant pump for heater, coolant heater solenoids or control valves, radiator heater core, heater control valve, and fan blade.
- **ELECTRICAL:** Sun roof motors, convertible top motors or actuators, power antenna, power mirrors; power trunk, tailgate, hitch, and side door motors or actuators (including vacuum motors or actuators). Remote door lock receivers. Wiring harnesses. Ignition lock cylinder, all manually operated switches. Driver information gauges. (NOTE: Remote transmitters or key fobs, GPS, Radio, Stereo Systems, CD Changers, MP3 players, TV, Disc Players, Satellite Radio, and On-Star units are NOT covered).
- **FUEL:** Fuel control module, fuel rails.
- **BRAKES:** Components of the anti-lock brake system including: wheel cylinders, front or rear calipers, brake springs, pins, and hardware kits, wheel speed sensors (sensors damaged by bad wheel bearings are not covered), brake hoses, brake lines, brake combination or proportioning valves, master cylinder, ABS pump, ABS module, ABS hydraulic unit, ABS hydraulic control unit, ABS accumulator, parking brake actuator. (NOTE: Brake linings, pads, rotors and drums are NOT covered).
- **SEALS AND GASKETS:** Intake manifold gasket.

GOLD "EXCLUSIONARY"

GOLD EXCLUSIONARY COVERAGE includes all factory installed mechanical or electrical components except those items listed below and in SECTION 5 of your contract, Exclusions:

EXCEPTIONS TO GOLD COVERAGE:

- All maintenance related items and the following parts including, but not limited to light bulbs, belts, hoses, filters, lubricants, coolants, sparkplugs, glowplugs, batteries, brake pads, rotors, drums, system restraint sensors and airbags, all exhaust system components, including the catalytic converter, paint, tires, wheels, and rims, body components, glass/plastic, factory recommended services.
- Service suggested or required factory warranty, recalls or Technical Service Bulletins.
- Any repair where the component has not broken or failed**. COVERAGE DOES NOT cover components which are not worn beyond manufacturer's service limits or failed.**
- Rust or corrosion damage, any body repairs, convertible tops, air or water leaks or damage they cause, squeaks, rattles, sun damage, and any weather stripping.
- Any item still covered by the manufacturers warranty.
- Limits of Liability: The aggregate total of paid claims is not to exceed the NADA retail value of the vehicle at the time of repair. Repair costs not necessary to correct the covered mechanical breakdown, but which are recommended as a part of the overall repair are considered "betterments" and will not be covered.
- On-Star Systems.

Satellite receivers of any type, GPS systems, sound systems, radio and stereo units, wireless transmitters, audio visual units or displays, televisions, DVD players, software for any onboard electronics, MP3 players, any electronic interfaces. If you purchase the Hi-Tech Surcharge, these items are covered with exception to the On-Star system.
